1. Executive summary

In 2022 ASF published its telemedicine and home care standards and received two new applications in Kutaisi, both hospitals. No accreditation decisions were made.

2. Governance

ASF's governance is set out in its founding statutes and governance library (GOV, OPS, QMS and EV series). Accreditation decisions are taken by the Accreditation Decision Committee (ADC), which is structurally separate from survey teams.

3. Standards activity

- **Telemedicine standard** — published 2022.
- **Home care standard** — published 2022.

4. Applications

Two applications were received in October 2022:

Date	Facility	Type	City
14/10/2022	West Georgia Tuberculosis & Infectious Diseases Centre	Hospital	Kutaisi
27/10/2022	Kutaisi New Maternity Hospital No. 2	Maternity hospital	Kutaisi

These applications extended the Georgia pipeline from dental and ambulatory clinics into specialised hospital care.

5. Accreditation activity

No accreditation decisions were made in 2022.

6. Finance

Financial statements are kept separately and are strictly confidential. They are not published in this report.

7. Complaints and appeals

No complaints were received in 2022.

8. Outlook for 2023

Complete the standards portfolio and formalise the national partner arrangement with PHIG.
