Source of the approved text

The text approved above is the draft content held in the standards-drafts folder: 01-ambulatory-DRAFT.md, 03-primary-health-clinic-DRAFT.md, 06-fitness-wellness-DRAFT.md and 05-home-care-DRAFT.md. These drafts were taken from the ASF self-assessment tool data. That data is an earlier version and has not been checked against an approved standard file. The hospital entry in the same data has 9 standards, while the approved hospital standard has 20.

Not covered by this statement

Long-term care, telemedicine, medical transport and laboratory standards, for which no text is held. The hospital standard, approved in the 2026 package record. ASF-GOV-006, a draft pending adoption.
