Stop and get help straight away if: a workplace concern has been raised and not logged or acknowledged within 5 working days.

1. Purpose

To make sure workplace concerns raised by staff are heard, investigated fairly and resolved in a stated time [EC].

2. Scope

Applies to	All workforce members raising a concern about their work, pay, conditions, colleagues or managers
Locations	All services
When	From the day a concern is raised until the outcome is recorded
Does not apply to	Safety concerns and misconduct, which follow WRK-SOP-010

3. Definitions and abbreviations

Term	Meaning in this SOP
Workplace concern	A complaint or issue about working conditions, treatment at work or working relationships
Investigating officer	A manager or HR officer who was not involved in the issue

4. Background and rationale

Unresolved workplace issues damage trust and staff retention. A written, timed route is fairer for both sides.

5. Responsibilities

Role	Duties in this SOP	Competence needed
Human resources lead	Logs the concern, appoints the investigating officer and checks timelines	HR
Investigating officer	Gathers evidence, meets both sides and writes the findings	Trained in investigation
Chief executive	Decides appeals	Executive

6. Equipment, materials and resources

Item	Specification or standard	Check before use
Staff concern and investigation record (WRK-FRM-002)	Current	Available in HR and on the intranet

7. Safety and infection prevention

- Staff who raise a concern are protected from any detriment for raising it (see WRK-SOP-010).

8. Before you start

- Confirm the investigating officer has no connection to the person or the issue.

9. Procedure

Follow the steps in order. Where a step says "If", take the action for the case that applies. Do not skip a step. If a step cannot be done, use section 11 and section 12.

Step	Action	How to do it	Key point
1	Log the concern.	- Record the date, the concern and the person raising it on WRK-FRM-002. - Give the reference number to the staff member.	Logged the same day, every time.
2	Acknowledge.	- Send a written acknowledgement within 5 working days. - Say who will investigate and the expected timescale.	Acknowledgement is a legal and trust point.
3	Investigate.	- Meet the staff member and the people involved. - Record the evidence and the findings.	Investigate within 25 working days.
4	Decide and tell.	- Write the outcome and reasons. - Tell the staff member in writing and explain the appeal route.	A decision without reasons is not complete.

- If the investigation finds a safety issue, it is moved to WRK-SOP-010 and escalated.
